EYE, EAR AND CATARRH

SUCCESSFULLY TREATED.

Judge Carlton's Letter.

SALT LAKE CITY, August 7, 1888.

Dear Doctor:—Before leaving for the east I wish to express my appreciation of your treatment of a complicated case of the eyes. I have tried for several years to get far-seeing glasses, and I had concluded that I could get none that would be of any benefit to me. But after I saw the wonderful benefit of your system, I take pleasure in saying that the glasses furnished by you have restored my vision both for reading and far-seeing to the same condition as in my boyhood. I resolved to have you furnish me glasses after I witnessed your system to a beautiful young lady of sixteen years, from Summit County, afflicted with a complicated condition of the eyesight. She told me she had never been able to distinguish one's face at a distance of six feet. With Dr. Prentice's glasses she could see as well as any one. As she looked up and down the street, and for the first time in her life saw the distant mountain tops, she was greatly delighted, and inquired with childish simplicity, "Do other people see this way?" It seemed that a new world was opened to her view, as novel and beautiful as "Eden's rose bowers," appeared to our first parents.

Yours truly,
A. B. CARLTON,
Chairman Utah Commission.

The following are a few of the many cases of cross-eyes Dr. Prentice has straightened in this city in less than one minute:

George A. Smith, Salt Lake City.
Susie M. Shettler, " "
Frank J. Hocking, " "
Florence Peppers, " "
Lester Riggs, " "
Joseph McKee, " "
Sarah Wilder, Coalville, Cache County.
Daniel M. Campbell, Providence, Cache County.
Catherine Bivens, eye turned outward, and many others.

PILES.

I have been afflicted with Hemorrhoids (or Bleeding Piles) for the past twenty-five years. For several weeks past the pain has been so intense that I was forced to quit work. I found no relief either day or night, and was frequently compelled to walk the floor all night long, as it was impossible for me to sleep. In this condition I called on Dr. Prentice at the Continental Hotel who, after a painless operation of less than one minute, relieved me from all pain, and I have been able to sleep and rest well ever since.

I consider myself perfectly cured, and unsolicited offer this testimonial for the benefit of those who may be similarly afflicted.
HENRY GREGORY,
149 N. West Temple Street.
SALT LAKE CITY, July 3d, 1888.

I have been tortured with piles for many, many years, and have tried a great number of so-called cures without any benefit. About two months ago Dr. Prentice treated me just once, and has effected a perfect cure and I feel confident from the condition I am now in they will never return.
DAVID F. DAVIS,
Spanish Fork.

For twenty years I have suffered very much with piles, I have often been obliged to quit work and had become discouraged of ever being cured. Two months ago Dr. Prentice gave me one treatment and I consider myself entirely cured. My health is better than it has been for years.
EUGEN MOORE,
Spanish Fork.

MADE HANDSOME.

Mr. B. H. Shettler, of Zion's Savings Bank, has a bright and intelligent little daughter nearly 9 years old, but she has suffered the unfortunate disfigurement of her life of being badly cross-eyed. Mr. B. Shettler's parents were very oath to trust any one to operate on her eyes. But they had faith enough to trust Dr. Prentice, and he has made their eyes perfectly straight, which was done in less than a minute, and Susan Shettler is now a handsome little girl, while her parents are well pleased.

SATISFIED AT LAST.

George A. Smith, of Salt Lake City is a young man well and favorably known throughout Utah. He has been troubled with a bad case of cross-eyes all his life. Several years ago he had an operation performed by an oculist, but it was not successful, and did not good, consequently his faith was very much shaken about its ever being made straight. But at the Continental Hotel on Monday of this week, Dr. Prentice made it straight in less than half a minute. Mr. Smith is delighted with the result and his many friends are astonished. Mr. Smith said it caused him practically no pain.

Dr. Prentice can be found at the Continental Hotel, Salt Lake City, until

THE INDIAN COUNCIL.

An Exciting Time at the Last Meeting.

ABOUT ONE HUNDRED SIGN.

Two Young Bucks Distinguish Themselves for Their Oratory—It Has Its Effect.

St. PAUL, Minn., September 3.—A Crow Creek, Dakota, special to the Pioneer Press says:

The council yesterday evening was an exciting one, and finally resulted in the securing of nearly one hundred signatures. The council was called at a late hour, and

CHIEF WHITE GHOST

Was the first speaker. He dodged the real question and devoted some time to old questions and old complaints. He was followed by several other chiefs, who followed the lead of White Ghost.

Judge Wright then made an eloquent appeal to the Indians to take advantage of this act and secure an undisputed title to their land. The Indians had made a request that a large number of Indians at Standing Rock be moved upon this reservation, but when the question of signing was raised, they at once sent up a plea that they had no land to sell, that they needed it for the rising generations. Judge Wright asked why they wanted those people to come down here, if they were short of land and stated that it looked as though the Indians were not playing an open game.

MAJOR ANDERSON

informed the Indians that the time for signing had arrived, as a number were anxious to sign and return to their homes and he could no longer hold them back.

White Ghost sprang to his feet and declared that he was not ready to sign and would not do so. He was followed by a number of other chiefs, who made similar declarations.

THE REAL SENSATION

of the day came when Bowed Head, an Indian, delivered the following urgent appeal to the Indians:

I am on a different path from some of the rest of you. I am not one of the chiefs sitting there, but I am a member of the tribe and I want to make bread for the children. I am not afraid of you because you are men. The only man I am afraid of is God, in whom I believe. While on this earth, if there is any salvation to save souls, I want to save the younger generations of this tribe. You chiefs have spoken of our forefathers and their graves upon the hill. What did they do for us? They left behind them an old camp fire, where even now the grass does not grow, and the old buffalo bones that we can see on that prairie is all that is left of their work. Young men, do you wish your children to go in this way? You chiefs, my brothers, my cousins, my relatives, I pray you have mercy on the young people who are beginning life and have no property to start with. Come forward, you chiefs and set us an example. We are waiting for you, because you are chiefs, but if you do not come forward we will go forward regardless of you.

ANOTHER RED ORATOR.

A young Indian by the name of Williams said that in the presence of the older men he uncovered his head. He then made the most telling and effective speech that has yet been delivered by the Indians, calling on the Indians, if they loved their children and wished them to become educated and made happy and prosperous, to come forward and sign the paper, and then walked bravely up to the table, and regardless of threats, placed his name upon the bills. At this action the entire mass of Indians springing to their feet and for a moment a fearful silence prevailed; then the friends of the bill, including two chiefs, gathered about the table. Seeing the folly of interference, the opposers quietly and individually withdrew from the council. About sixty names were enrolled at the council and about thirty more later or at the rooms of the commissioners.

Kentucky Politics.

HELENA, Arkansas, September 2.—The Monroe County campaign culminated in a cloudy tragedy at Clarendon Saturday afternoon. The "Fair Divide" and People's camps were to speak, and a great crowd gathered. William Walls (white) attempted to strike one Dillard, when the latter pulled a gun and shot Walls, who fell to his knees, pulled a revolver and shot Dillard twice, after which he fell back dead. A mob rushed in on Dillard, but friends surrounded him and with pistols and knives declared their intention to defend him. Sheriff Robinson attempted to arrest Dillard, who shot the sheriff in the thigh. The mob then fell upon Dillard and beat him terribly. A stray bullet killed a negro spectator. Dillard was finally spirited away, with the mob after him.

Of all Things in the World

A tonic is what nervous people require. To impart strength into the nervous organism is to insure its tranquility, provided causes of unhealthful excitement are avoided. A medical tonic that like Hostetter's Stomach Bitters—commands the unqualified sanction of the healing profession, and which institutes a general reform in a bilious, dyspeptic and debilitated condition of the system, is surely entitled to a careful trial by intelligent people, capable of forming a due estimate of a medicine, from an emphatic and often recorded professional evidence in its behalf. Not only are the nerves and stomach invigorated by the Bitters, but the system is also endowed with unbounded power of resistance to influences in air, water or daily avocation subversive of health. Prominently dangerous among the first named of these is malaria, against which Hostetter's Stomach Bitters afford a complete safeguard. Rheumatism and kidney troubles are also prevented and overcome by it.

GENERAL CARLOS DIEZ GUTIERREZ has been unanimously re-elected governor of San Luis Potosi.

A MEXICAN OPERA COMPANY.

Ysidro, Paster & Co. have started an opera company for the northern frontier which will give its initial performance in San Francisco, then make a complete tour of the United States.

New Jersey Will Have Thurman.

COLUMBUS, September 3.—Delegations from Newark, New Jersey, headed by General George J. Watts Kearney, arrived from the east this afternoon and proceeded to the residence of Judge Allan G. Thurman. General Kearney informally stated the object of their visit, which was to secure the presence of Judge Thurman at the proposed mass meeting at Newark, following that announced for Madison Square, New York, Thursday night. He set forth the importance of his addressing a meeting in New Jersey, and after a consultation as to details, Mr. Thurman agreed to go. The delegation was highly elated over their success, and left for home this evening.

Room for All.

COLUMBUS, O., September 3.—The general committee of the National Encampment of the Grand Army, which opens in this city September 11, announces everything in readiness for the accommodation of the masses. All the Grand Army of the Republic posts, ex soldiers and relief organizations which have applied for quarters have been assigned and the committee still has designated quarters for ten thousand people.
